

Owl Door Hanger

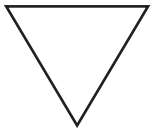

Head

Cut 1 out of brown foam

Instructions:

1. Cut out the owl body shapes. If you don't have a pre-cut door hanger, cut one of those as well.
2. Glue orange body to the door hanger. Then glue the wings on top of the body and the head above the body.
3. Glue felt eye circles and googly eyes on head.
4. Glue on black felt triangles for beak and ear tufts. Glue on tan felt feet.
5. Cut a "speech bubble" out of craft foam. Write the question "Whoooo's there?" on it, and glue it beside the owl's beak.

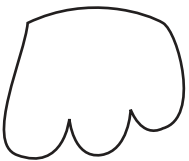

Ear Tufts and Beak

Cut 3 out of black felt

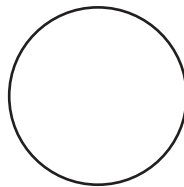

Eye Circles

Cut 2 out of tan felt

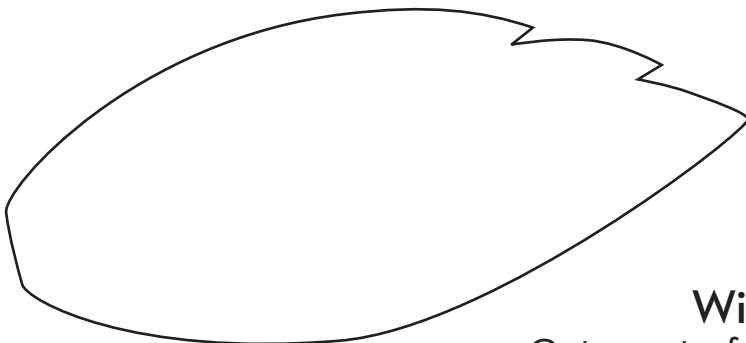

Feet

Cut 2 out of tan felt

Body

Cut 1 out of orange foam

Wing

Cut 2 out of brown foam
