

Raccoon Mask

Brown piece

What You Do:

1. Use the pattern to cut the two mask pieces out of the fun foam.
2. Glue the black piece to the front of the brown piece.
3. Cut a 1.5" x 12" strip of brown fun foam.
4. Staple the strip to one side of the mask.
5. Fit the mask to your child's head, and then staple the strip to the other side of the mask. Trim the excess.

Black piece
