

Snowflake Painting

What you need

- snowflake pattern
- empty cereal box
- white construction paper
- tempera paint
- kitchen sponge

What you do

1. Use the pattern to cut four snowflakes out of the cereal box.
2. Place the snowflakes on a sheet of white paper.
3. Cut the sponge into 1" wide strips.
4. Dip the sponges into the paint and use them to dab paint on the paper. (Be careful not to use too much paint.)
5. After the paint dries, remove the snowflakes from the paper.
